Gillespie Field Fun Run

September 14th

Please join the Ferrari Owners Club (FOC), San Diego Region, for an exhilarating run through the back country of San Diego County and concluding at [Gillespie Field, Santee, CA](#).

Take in a variety of flying machines, including vintage 1930's and 1940's era airplanes as well as a sampling of more contemporary machines and military aircraft at the field's various facilities such as Allen Airways Flying Museum.

Show off your own incredible road machine (Ferrari or other vehicle) versus other FOC road machines as well as some of the most interesting flying machines to grace the skies. And perhaps there will be an opportunity or two for a photo of your road machine with one

of the flying machines?
